

MembersTracker

Corporate members information system

Keep track of your members' information securely
Corporations and Associations, meet compliance
Communities and Service Providers
Land Councils and PBCs

FEATURES

- Intuitive design for ease of use.
- Secure password protection.
- Searches, sorts and filters facilitate finding information quickly.
- Generate detailed and summary reports; lists, registers and mailing labels.
- Reports can include photos of members and maps of their country.

CHALLENGE

No more struggling with numerous lists, spreadsheets and documents chasing members' or clients' information.

SUCCESS

MembersTracker: a cost effective system for keeping track of members' information.

MembersTracker: secure but easy access to members information.

GRAPHICAL REPORTING AND MONITORING TOOLS

'The quality of Burzillo's outcomes is further enhanced by the high level IT behind their products'

Tony Keyes, CLC Lawyer

member [mem - ber] - *noun*

person that is part of a society, community, or other body

tracker [traeke] - *noun*

to keep track of, that which can follow tracks

OUTCOMES/BENEFITS

- MembersTracker is for communities, land councils, PBCs, regional and service organisations.
- Secure and user friendly members information management system.
- Record, store and fast retrieval of critical members information.
- Meet corporate compliance under CATSI Act and NT and State Associations.

MembersTracker comes in 3 versions to meet your organisations needs.

Corporate MembersTracker

A straightforward database that includes frequently used members' information; demographic profile, contact details, positions within organisations and meets CATSI Act compliance.

Community MembersTracker

Community MembersTracker includes all the features and fields contained in Corporate MembersTracker but with added features purpose designed for Indigenous Community administration and members support services.

Traditional Owners MembersTracker

Traditional Owners MembersTracker includes all the features and fields contained in Community and Corporate MembersTracker but with added features specifically for Land Councils and PBCs – cultural and ethnographic information.
